Water supply at Ramavarmapuram.

137. Mr. C. A. Kunjunni Raja.—Will the Government be pleased to state whether the Government has solved the problem for the supply of water at Ramavarmapuram where the First Grade College is to be built; if so, what is the scheme in hand?

Mr. V. K. Aravindaksha Menon.—Yes.

A copy of the Chief Engineer's report outlining the scheme is appended. (*Appendix III.*)

Mr. C. A. Kunjunni Raja.—Appendix III.—May I know the exact location of the three tanks in the fields at Villadom from where you propose to get water?

Mr. V. K. Aravindaksha Menon.—I cannot at the present moment inform the House the exact survey numbers.

Mr. C. A. Kunjunni Raja.—Roughly?

Mr. V. K. Aravindaksha Menon.—I can only describe the position. There is a temple at Villadom. Near the temple there is already a tank which is now used for Puncha cultivation.

Mr. C. A. Kunjunni Raja.—Is the tank that is referred to lower down to be one of the tanks to be utilised for this purpose? Is that tank also to be utilised?

Mr. V. K. Aravindaksha Menon.—Either that tank or near that another tank will be constructed.

Mr. C. A. Kunjunni Raja.—How far is that from the College?

Mr. V. K. Aravindaksha Menon.—It is 9,600 feet.

Additional District Court at Ernakulam.

138. Mr. C. J. Mathew.—Will the Government be pleased to state.—

(a) whether any Additional District Court is going to be opened at Ernakulam;

(b) if the answer to (a) is in the affirmative, whether it is so done on the recommendation of the Chief Court;

(c) when the recommendation, if any, by the Chief Court was received in this connection, and what was the cause of the delay in not acting accordingly till this moment;
